Manufacturer's Audit pursuant to PED 2014/68/EU, Annex I, Section 4.3, CPR Regulation EU 305/2011

Dear Mrs. Pilot,

we confirm that the certification process acc. to PED 2014/68/EU, Annex I, Section 4.3, CPR Regulation EU 305/2011 of the company *Algoma Steel Inc.* is ongoing.

Based on the performed audit on March 23/24, 2022 including the review of the relevant documents the auditor recommends the renewal of both certificates.

The certification body is currently processing the audit, we expect the certificate will be issued shortly.

Kind regards,

Thomas Reiners
Auditor

Verlängerung der Zertifikate durch die Zertifizierungsstelle (ohne weiteres Audit):

Prolongation of the certificates (without additional audit)

Ich bestätige, dass der eingereichte Antrag auf Verlängerung des Zertifikates vollständig ist und dem Antrag zugestimmt wurde.

Die Laufzeit der Zertifikate:

0036-CPR-M-027-2009

DGR-0036-QS-W 371/2009

Des oben genannten Unternehmens wird jeweils um 6 Monate verlängert.

I confirm that the submitted application for the extension of the certificate is complete and that the application has been confirmed.

The validity of the certificates:

0036-CPR-M-027-2009

DGR-0036-QS-W 371/2009

of the above mentioned company is extended by 6 months.

CERTIFICATE

The Notified Body - 0036 -
of TÜV SÜD Industrie Service GmbH

certifies that

Algoma Steel Inc.
105 West Street
Sault Sainte Marie, Ontario P6A 7B4
Canada

has implemented, operates and maintains a

**Quality Assurance System in accordance with the
Pressure Equipment Directive 2014/68/EU, Annex I, Section 4.3
as well as EN 764-5, Para. 4.2**

as a material manufacturer for the scope of

hot rolled carbon steel flat and coil products

The scope of the approval is described in the annex to this certificate.
Further details are mentioned in report no. 72141364-002.

The manufacturer is therefore authorized to issue certificates of specific product control within the scope of the assessed quality system and in accordance with the Pressure Equipment Directive 2014/68/EU. Possible additional requirements - specific to applied technical specifications to meet PED Annex I - are not affected.

This certificate is valid through September 2021.

In order to adhere the validity an annual surveillance audit is required.

Certificate of conformity of the factory production control

0036 - CPR - M - 027 - 2009

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of March 09th, 2011 (Construction Products Regulation - CPR), this certificate applies to the construction product

Hot rolled products of structural steels

produced by

Algoma Steel Inc.
105 West Street
Sault Sainte Marie, Ontario P6A 7B4, Canada

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in annex ZA of the harmonised standard

EN 10025-1:2004

under system 2+ are applied and

the factory production control fulfils all the prescribed requirements set out above.

This certificate remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the Factory Production Control Plan itself are not modified significantly and latest on September 2021.

Further information about the product parameters and description of the products are included in the scope of approval, annex 1 to this certificate.
