### Bring a Doctor Home Tournament Starts Today

The action gets underway today as Algoma Steel employees, retirees and community partners lace up their skates and meet on the ice for the annual Bring a Doctor Home hockey tournament.

Featuring 24 teams across five divisions, including a Women's and a Master's division, the tournament runs today through Saturday. Catch the action nightly at the John Rhodes Arena rinks one and two, Monday through Thursday between 5 pm and 10 pm, with semi-finals Friday and finals on Saturday. The complete schedule is enclosed.

The community is invited to come cheer them on! Admission is by donation. All proceeds go to fund scholarships for the Northern Ontario School of Medicine.
